

# IT'S A COUGHING CAT COIN, DUDE!

CATPAPER, 2021 (C)

## MORE GOLD TO THE GOD OF GOLD!

Cough, cough.. What are you looking for? **I'm a cat**, I must have some gold.

Cough, cough.. Give me the coins. All that you bought.

Stop making cow eyes, don't look at me. **I'm a cat and I have little paws.**

I can't write WhitePaper! My owner threw newspaper into my tray, and once I unwound and tore a roll of toilet paper. If you can, build me Zikkurat to have more gold.

Don't touch my coins! Put your hands away. I wouldn't sell anything at all, cough, cough. People buy my coins and get richer when they sell them back to me or other people.

We are cats and we are better than any dog. And our owners are better. Everyone else will disappear, but ours will stay. **The smartest owners will buy my coins.** And then everyone else will buy them. Everyone will be fine.

I'm coughing over gold. We need more gold. Go away, human, you're in my way! Don't look at my gold! Cough..

# I'M A BLOCKCHAIN-BASED CAT!

I'm simpler and faster than any dog!

I'm using a Script as a PoW, if you know what I mean..

..cause I don't.. cough-cough..
